▶ SPACES THAT BRING GREENERY INDOORS

Essentia Environment unveils a collection of luxurious spaces that bring greenery indoors in many creative ways. The magnificent inter-play between the outdoor and indoor, vibrant shades and neutral palette, living-thriving flora and rich materials is showcased. These spaces demonstrate that plants can enhance the features of a room in terms of space and luxury, if used in a bold and creative manner. These spaces introduce the flora in actual sizes – big plants, trees and wild creepers.
